First Aid Policy

A fully equipped First Aid box is kept in the school office. Mrs. Breda Kiely ensures that necessary First Aid equipment is purchased when required.

If a child needs to have specialised medication in school, this is also kept in the school office and is administered only, with parental consent, by authorised staff members.

A First Aid box is always taken on all school tours, educational trips and sporting outings.

In the case of an accident/injury which requires further attention, the parent/guardian is immediately informed. If a parent cannot be contacted, the child is taken for immediate medical attention or a doctor is called.

Details of all accidents are recorded in 'The Accident Report Book'.

This policy was drafted by the school staff and ratified by the Board of Management on

Date: 19/05/2015

Maurice Dowling

Chairperson of Board of Management
